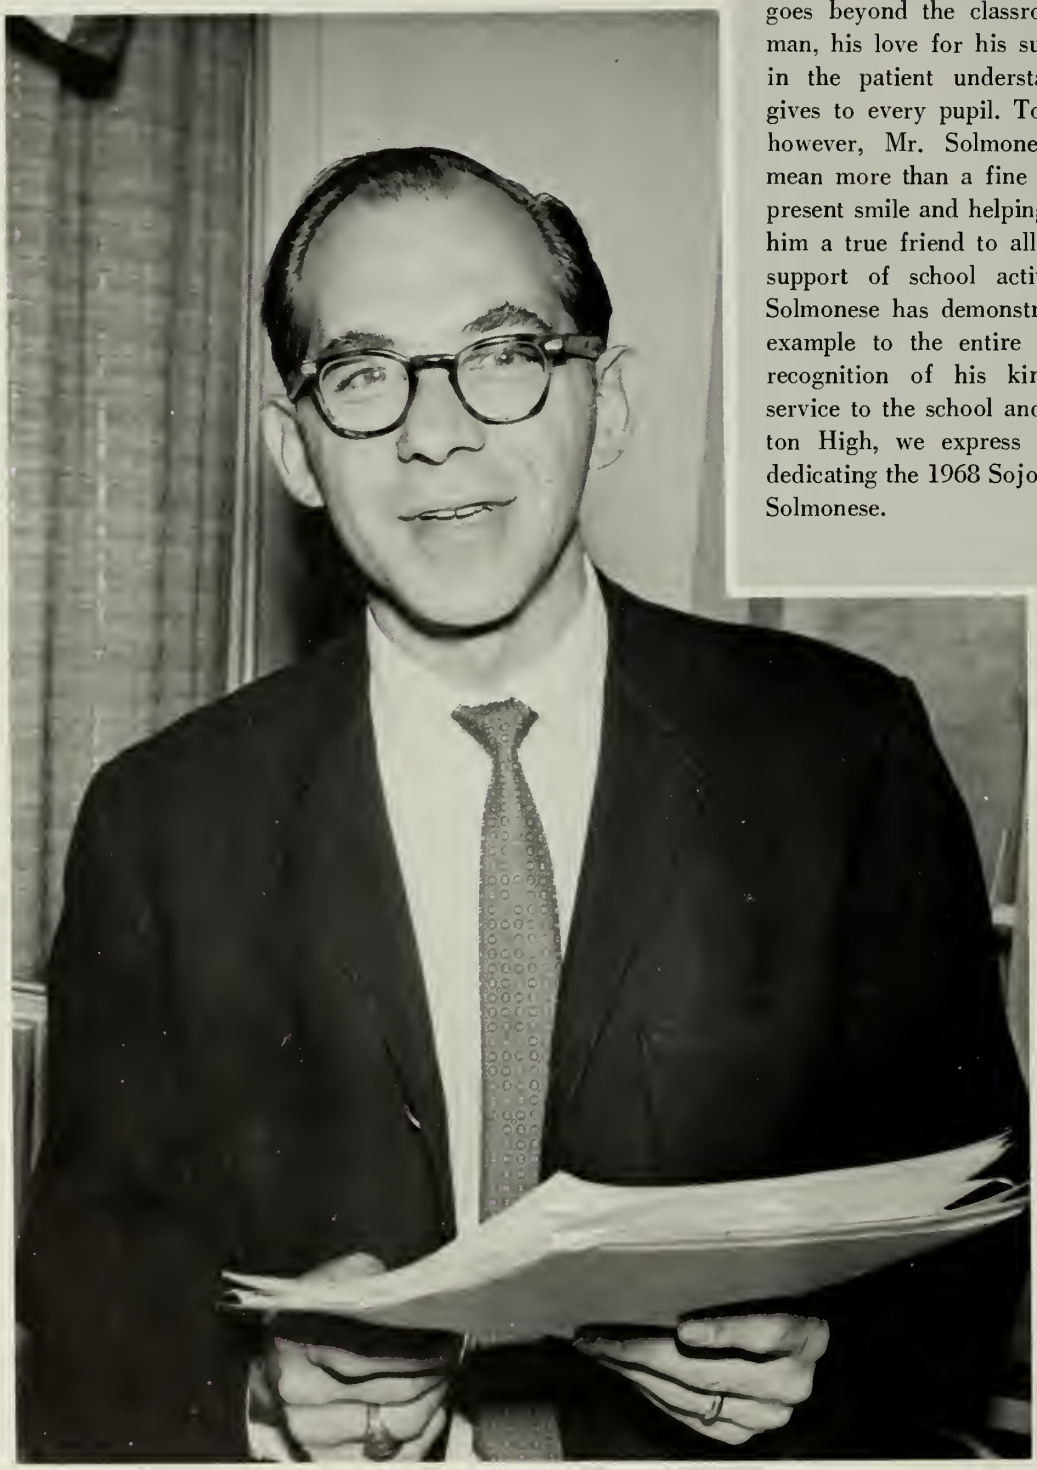
Foreword

To dream the impossible dream,
To fight the unbeatable foe,
To bear the unbearable sorrow,
To run where the brave dare not go,
To right the unrightable wrong,
To love pure and chaste from afar,
To try when your arms are too weary,
To reach the unreachable star . . .

From
Man of La Mancha

During the past years, we, the Seniors of Norton High School, have been working toward the common goal of graduation. Now that the long awaited time has arrived, we realize that this is not the end but rather the launching of a new quest. The knowledge which we have gained during our sojourn at Norton High School has equipped us to overcome the obstacles which lie ahead. Reluctantly, we must now separate and follow a chosen path toward our star.

We Dedicate This Sojourn To . . .



Mr. Joseph Solmonese

If one word could be used to describe Mr. Joseph Solmonese it would be sincerity. Throughout the years, the genuine interest which he shows every student goes beyond the classroom. A dedicated man, his love for his subject is conveyed in the patient understanding which he gives to every pupil. To each one of us, however, Mr. Solmonese has come to mean more than a fine teacher. His ever-present smile and helping hand have made him a true friend to all. The enthusiastic support of school activities which Mr. Solmonese has demonstrated has been an example to the entire student body. In recognition of his kind and unselfish service to the school and students of Norton High, we express our gratitude by dedicating the 1968 Sojourn to Mr. Joseph Solmonese.

. . . this is my quest, to follow that star . . .

UNDER-CLASSMEN

Juniors . . . Almost There

Junior Class Officers are *(bottom to top):* June LePage, Treasurer; Pam Tripp, Vice President; Lauri Adams, President; and Mike McGrath, Secretary.

The Junior Class is perhaps one of the busiest in the school. Early in the year a class meeting is held and students volunteer to serve on the various committees for the Junior-Senior Prom. This prom is the responsibility of the Junior Class and involves a great deal of expense. To raise money, the Junior Class holds a spaghetti supper in January of each year, following a home basketball game. Not only does the supper add to the class treasury but it also gives the students a chance to try their hand in cooking.

Freshmen . . . Slightly Confused

Freshman Class Officers: Wayne Reay, President; Mary Dahlman, Treasurer; Linda Brogden, Secretary; Michael Araujo, Vice President.

Since the Freshmen are Newcomers to Norton High, their primary interest is to raise money for their treasury. This money will greatly aid them when they are upperclassmen and have many expenses to meet, such as graduation and the yearbook. In the whirlwind of getting acquainted with N.H.S. the freshmen put on a spaghetti supper and they are responsible for one assembly during the school year.

Superintendent

Dr. George A. MacArthur, who has been our superintendent for the past six years, recently received his doctorate from Boston University. An avid sports fan, Dr. MacArthur attends all of the Lancer athletic events. Under his guidance, we are certain that the Norton School System will continue to be as successful as it has been in the past.

Principal

Mr. Henri A. Yelle, who received his master's from Boston University, has been principal of our high school for the past nine years. His concern for the students of Norton High School has resulted in an excellent academic and extracurricular program. Mr. Yelle also serves the town as a member of the Norton Public Library Board.

Assistant Principal

A new addition to Norton High School, Mr. Maurice Splaine Jr. this year assumed the duties of assistant principal. Mr. Splaine, formerly an officer in the United States Navy, came to Norton from Silverlake Regional High School in Kingston. Student Council Officers: George MacArthur, Vice-President; Steve Teixeira, President; Nancy Lopes, Historian; June LaPage, Treasurer; Cathy Bennett, Secretary.

In Action

Under the direction of a new advisor, Mr. M. Splaine, the Student Council adopted a different election procedure. Students wishing to run for an office were required to take out nomination papers and to obtain five signatures before they were eligible candidates. Representatives were elected by their respective classes and officers were elected by the student body.

During the past year, the Student Council was again active in two larger branches of Student Councils. Representatives were sent to the fall and spring conventions of the Southeastern Massachusetts Association of Student Councils. Norton also remained a member of the Attleboro Area Association.

Events of the 1967-'68 school year included two dances, the Welcome Dance in October and a Sadie Hawkins Dance in February. At Christmas, money was collected for the benefit of the Globe Santa. In addition, the Student Council made a mailbox for the student body and worked for a banquet for top academic students and their parents.

Laurie Adams poses with his choice of "music to dine by".

Student Council Representatives: Steve Teixeira, Pam Tripp, Sharyn MacLean, Bonnie MacDonald, June LaPage, George MacArthur.

Under the new command of Mr. M. Splaine, the members of the Purple Key enforce the rules of Norton High School. These students are selected according to leadership, honesty, and cooperation. The members of the Purple Key are a familiar sight to the entire student body. Each day they can be found monitoring the halls, checking locker passes, and issuing summonses for violations. For the second year, the Purple Key has sponsored a court where those students who have broken school rules appear before "Judge Bartek" to plead their case. The court meets once a week in the Art Room and sentences the guilty student to detention hall.

Purple Key Officers: Susan Rich, Lieutenant; Mike Wynn, Captain; Bonnie MacDonald, Treasurer; Peggy Peterson, Secretary.

Honor Society Recognizes Students

Honor Society Officers: Paul Hassie, President; Linda Gorczyca, Vice President; Nancy Lopes, Secretary; Earlene Miller, Treasurer.

Each year a certain percentage of Juniors and Seniors are eligible for membership in the National Honor Society. A panel of faculty members chooses the students according to character, scholarship, leadership, and service. The students are inducted in an assembly held in February.

In recognition of her service to Norton High School, the Norton Chapter of the National Honor Society has been renamed the Jean G. Findlater Chapter. The activities of the chapter include the Honors Recognition, the sale of candy bars, and participation in the Annual Honor Society Convention.

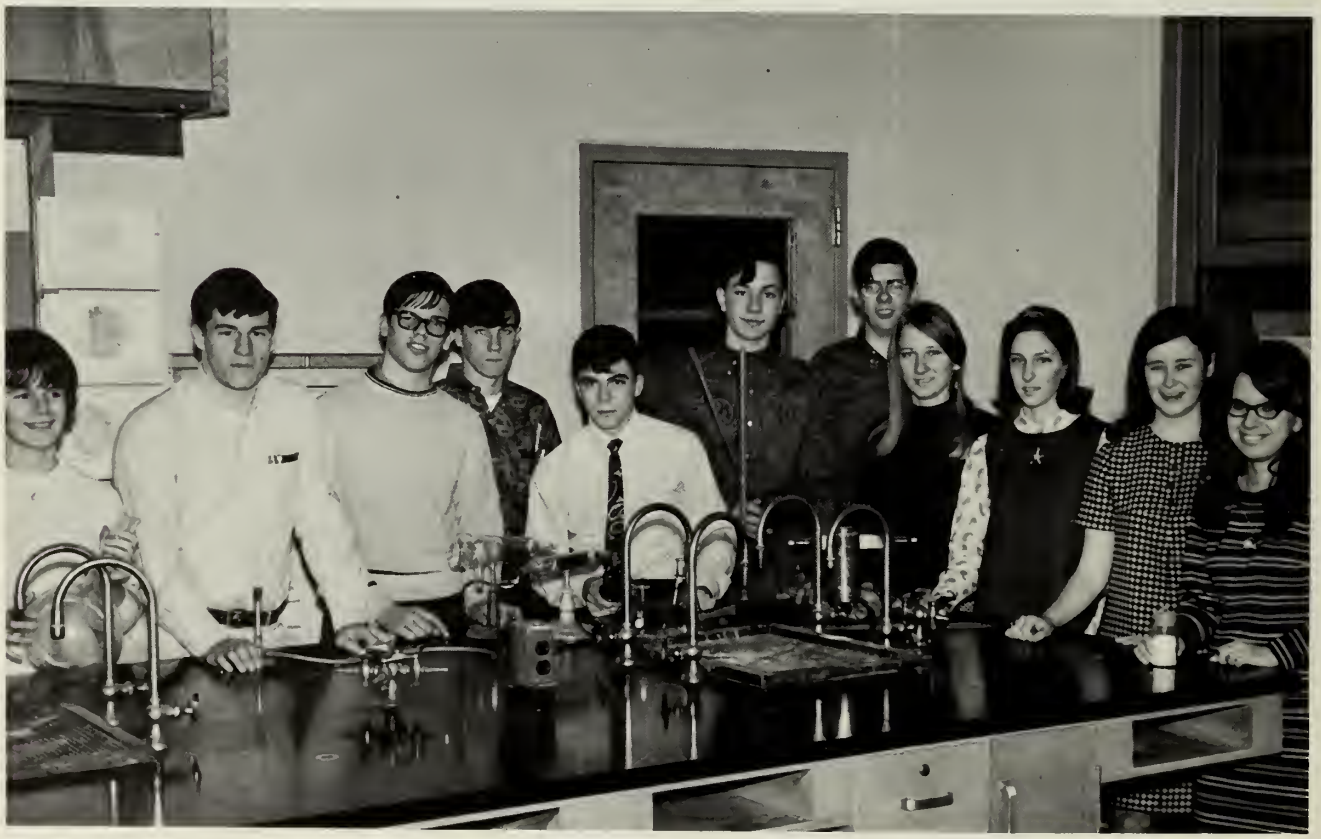
A Look into the Future

Membership in the Science Club is composed of any interested students who are studying Biology, Chemistry or Physics. Under the direction of Mr. Carmen Reade, these students attend events of scientific interest in the area. Each year the club travels to Boston for a visit to the Museum of Science. One of the chief responsibilities of the officers is to invite guest lecturers in the scientific field to speak to the student body at assemblies.

Science Club Officers are: Kathy Fiske, President; Mike Wynn, Vice President; Bonnie MacDonald, Secretary; Linda Yarusities, Treasurer.



Members of the Science Club are: B. MacDonald, M. Wynn, P. Smith, M. Vital, D. Bennion, T. Norton, L. Yarusities, E. Gefis, K. Fiske, L. Gorczyca.

Uncovering the Past

Officers of the Earth Science Club are: Joe Lopes, Vice President; Doug Reeves, President; Mary Sigman, Secretary; Richard Kirby, Treasurer.

Founded three years ago, the Earth Science Club promotes a better understanding of the planet which we inhabit. With the money which the club raises through the showing of movies, members of the club visit museums and geological points of interest in the area. This year the club examined the extensive rock and mineral collection of the Peabody Museum, Harvard University, Howe Caverns, Astro-Physical Observatory, Wheaton College, and Hayden Planetarium.

Guatemalan Visitor

The A.F.S. Club was established this year in conjunction with the arrival of Judy Salguero, Norton High's first foreign exchange student. The specific goals of the A.F.S. club are to assume responsibility for the welfare of the foreign student in the school, to stimulate interest in the American Abroad programs, and to cooperate with the local AFS Chapter in all aspects of the program.

In practice, the activities of the club are twofold. Through such activities as cake sales, the members raised money to help with some of the minor expenses involved in the program. Secondary, the club sought ways to have the whole student body benefit from the presence of a foreign student. With this goal in mind, members set up bulletin boards and library displays, arranged school assemblies, and encouraged visits of the foreign student to classes not on her regular schedule. As a result of the efforts of the club, the student body has a better understanding of the people and culture of Guatemala.

Judy models a once popular Guatemalan dress.

Membership in the Norton High School French Club is available to all students in grades nine through twelve who are studying French. The purpose of the club is to promote a higher interest in France, its culture, people, and language. This year the club held its third annual initiation and participated in the production of a one-act French play for the Christmas program.

This year the members were given instruction in Spanish cuisine. The menu included filite de ternu, tortillas, and papas fritas.

Officers of the Spanish Club are: Wendy Goddard, Secretary; June Freedman, Treasurer; Cheryl Holbert, President; Barbara Jackson, Vice President.

Latin Club Holds

Donna Leroux says, "Is it worth it?"

The Latin Club provides a means for Latin students to absorb some aspects of the culture of Ancient Rome. The Annual Slave Sale is held where the slaves dress in Roman togas and are then auctioned off before the student body. The same night as the slave sale the initiation is held where the slaves undergo various ordeals such as the Labors of Hercules in a modified form. At Christmas time the Roman feast of Saturnalia is observed and a Roman banquet is held. This year the members also saw the movie "Jason and the Argonauts" and in February they attended the Museum of Fine Arts to view ancient collections.

The Latin Club Officers are: Diane Battistello, Scribe, Denise Alston, Second Consul; Danny Etter, First Consul; Cindy Tripp, Quaestor.

The Office and Guidance Aides virtually become the hands and feet of these two offices during the busy school year. They are selected from the student body on a basis of availability, responsibility and efficiency. By assisting Mrs. DeValk and Mrs. Stepanek they render their noteworthy services to the school. Their tasks include anything from tpying and filing to answering the phone and running errands. In addition to these services the Guidance Aides help to compile the monthly News Letters that are distributed among the seniors.

The 1968 squad includes C. Briggs, S. Thibeault, C. Bennett, L. Cameron, D. Battistello, M. Sigman, R. Andrade, S. Flink.

Award Winning

Officers of the Band are: Tim Thomas, Treasurer; Kathy Fiske, President; Cathy Bennett, Secretary; Laurie Adams, Vice President.

After eight years in existence, the Lancer Band recently captured the Southeastern Massachusetts championship. The band is composed of students from grades seven through twelve. Under the direction of Mr. Frank Montesanti, the band meets four times a week to rehearse music for a forthcoming concert. A special practice is held every Thursday for the members of the Dance Band. This smaller group has given performances at local hospitals and schools in the area.

This year, in addition to raising money through the sale of decals, candy, and dues, the Lancer Band auctioned off the old band uniforms to the student body. The money raised from the sale of the jackets was donated to the Band Scholarship Fund. With the funds that remained, the band members held their second annual barbecue.

Dance Band members are: R. Gomes, K. Fiske, D. Reeves, Mr. F. Montesanti, advisor; D. Etter, T. Yelle, T. Oberg, L. Adams, W. Goddard, A. Spencer, T. Thomas, M. McGrath, D. Bennion, M. Lokitis, D. Sheaff, B. Bramwell, S. Mahoney, W. Moreau, J. Molitor.

Not only does the Chorus perform at the Christmas Concert and the Spring Concert, but they also sing for several assemblies throughout the year.

The Special Chorus meets an additional period each week, using this time to build up their repertoire of songs and increase their knowledge of music. One member of the Special Chorus, G. Risoldi, was chosen to participate in the Southeast District Music Festival.

Sojourn Staff Records

Members of the Advertising Staff are: Nancy Lopes, Manager; Elaine Gefis, Cindy Cooper, Pam Rand, Sue Rich, Bobby Molitor, Steve Jackson.

Every June a Sojourn staff is chosen for the following year. The staff is composed of seniors and is chosen by the yearbook advisor, Miss Grace B. Kiernan. All summer and into the fall, the advertising manager and her staff work to find sponsors who will help to reduce the cost of the yearbook.

Come September, the business editor and her staff take orders from prospective yearbook buyers. Also, in September the editor-in-chief and two associate editors assemble to decide a theme and rough lay-out for the book.

The photography editors work with the Vantine photographer to assure that the necessary pictures are both imaginative and appealing. Until March the editors, thus, keep busy recording memories of their school year by compiling the Sojourn.

Planning this year's Sojourn are: Elizabeth Waite and Linda Gorczyca, Associate Editors; Sharyn MacLean, Photography Editor; Katherine Fiske, Editor-in-Chief; Earlene Miller, Photography Editor *(missing)*.

The Business Club is composed of Junior and Senior girls who are planning to enter the business world after graduation. During the school year the girls visit various business firms in order to observe business skills in action. The girls perform many tasks throughout the year, such as typing, mimeographing, and taking dictation.

This year under the direction of Miss E. Rapoza, the club has published a school newspaper called the Lancerette. The newspaper reports events of school interest and includes both a gossip column and an advice column. By working on the school paper the girls not only provide a service to the students but also learn through practical experience.

Art Club Sparks Creativity

The Art Club is a new organization at Norton High School. Organized under the direction of Miss DeSantos, membership is open to students from grades nine through twelve who are interested in applying their artistic abilities. The Art Club provides many of the posters for forthcoming activities. For this service the club charges five cents per poster as a means for increasing their treasury. The posters not only serve as good advertisements for the events but they add color to the halls of Norton High. This year the activities of the club have included decoration of the high school foyer at Christmas time and a visit to an art museum.

1967 Junior-

Queen Cheryl Hyland, being crowned by Gary White, President of the Senior Class.

The 1967 Junior-Senior Prom was unique in the history of Norton High School. On June 9, 1967 the annual prom was held at the Grist Mill in Seekonk rather than on the school premises. The prom committee felt that a change in location would enhance the enjoyment of the evening. The theme of the 1967 Junior-Senior Prom was "Rhapsody in Blue." The students worked for months prior to the event designing decorations in accordance with the theme.

The music for the evening was provided by Thomas Masso and his band. The outdoor swimming pool provided an attractive setting for the Grand March, led by the officers of the Junior and Senior classes. The climax of the evening was the selection and crowning of Queen Cheryl Hyland. Her court consisted of Juniors Denise Melanson and Duane Howard, and Seniors Regina Araujo and Susan Lynch. All who attended agreed that the evening was highly enjoyable.

Each year the Student Council and the Senior Class work together to present the Welcome Dance, the first social activity of the year. This year the dance was held on Saturday, October 21, 1967 in the Norton High School Auditorium. The upperclassmen took advantage of the time to renew old friendships and to meet the new Freshmen. Music was provided by the Baron's Five, a very popular group of the area. The dance turned out to be one of the most highly successful events of the year and was enjoyed by all.

Shakespearean Production

Serving as chaperones on the trip were: Mrs. L. Zwicker, Mrs. D. Robbins, and Miss G. Kiernan.

On October 11, 1967 the Junior and Senior English classes boarded a bus for Stratford, Connecticut. After a four and a half hour bus ride, the students arrived at a reproduction of Shakespeare's Globe Theater. The Stratford theater is well-known for its unique construction and draws an audience from all over New England.

Having previously read "Macbeth", the Norton High students appreciated this opportunity to see a live production of the play. All who went agreed that the dramatic effect was increased by the gloomy atmosphere and authentic setting. The day was concluded by a stop on the way home for dinner.

Admiring the Stratford grounds are: S. MacLean, C. Reynolds, M. Vital, D. Valquett, N. Moniz, and E. Miller.

Seniors Present

Dr. Einstein tries the window seat for size.

On Friday December 8th, the Senior class presented a three act play "Arsenic and Old Lace" by Joseph Kesseling. Under the able direction of Mrs. Jean Briggs, the 1967 Senior Class Play turned out to be one of the most successful plays in Norton's history. Mrs. Briggs devoted a great deal of her time to coaching the cast and deserves much praise for her work.

The cast consisted of Susan Rich as Abby Brewster; Steven Jackson—Rev. Dr. Harper; Gregory Cruff—Teddy Brewster; Steven Teixeria—Officer Kline; Valerie Williamson—Martha Brewster;

"Bully, Bully!" says Teddy Roosevelt, "I'll dig my Suez Canal in the cellar."

The presentation was a completely satisfying comedy for the actors, the director and the audience.

The decorations included a trimmed tree and Santa's sleigh loaded with presents. The Baron's Five added the music for the evening. The night was a perfect climax for the season's festivities.

Clinical Laboratory

Carolyn Landis regulates the flame on her Bunsen burner.

A new addition to the academic curriculum, the Clinical Laboratory was begun in January under the supervision of Mr. Carman Reade and Mr. Leo Megow. The course is offered on a non-credit basis to those students interested in understanding and mastering various laboratory techniques. During their weekly meetings the students have learned to make blood microscopic slides, to use an electrocardiograph, and how to take red and white blood counts. The response to the clinical laboratory has ben enthsuiastic on the part of those who feel that they may be interested in a future as a clinical laboratory technician.

Elaine Gefis, Donna Leroux, Debra Norlund, and Carolyn Landis apply newly learned laboratory techniques.

Clinical Laboratory members are: R. Petipas, J. Souza, S. Flink, R. Andrade, T. Larocque, M. Dion, C. Ribeiro, N. Beaman.

Lancer Bowl

An anxiously awaited assembly is the annual Lancer Bowl, held during American Education Week. Participants of the Lancer Bowl include a panel of judges, consisting of four Department Chairmen, and two teams chosen by a faculty board according to scholarship. This year the White Team was composed of Seniors K. Fiske and E. Miller, and Freshmen L. Brogden and R. Kirby. Members of the Purple Team were Sophomores G. Charette and M. Czerwonka, and Juniors C. Ribeiro and J. LePage. After forty-five minutes of exciting competition the final score revealed the deciding margin of two points and the Purple Team took top honors.

Serving as moderator, Mr. Splaine poses the next question.

Student Government Representatives

Sharyn MacLean, our 1968 Student Government Representative.

Each year the P.O.D. classes choose three representatives for Student Government Day. The final selection of one student is made by the faculty. This year Sharyn MacLean's name was submitted as Norton's Representative for Student Government Day which was held in Boston on April 5, 1968. For the first time in Norton's history our representative was chosen at a random drawing to be Attorney General for the day.

In addition, two Norton students were selected by the Norton League of Women's Voters as winners of an essay contest open to history students. This year Linda Gorczyca and Valerie Williamson toured the United Nations where they observed the General Assembly in action.

Linda Gorczyca points out an interesting sight to Valerie Williamson.

ATHLETICS

Football

The prospects for a successful football campaign looked nebulous for the Norton High Lancers when the 1967 football candidates reported for pre-season practice in late August. The "experts" predicted there would be gloom in Lancerville when Thanksgiving Day rolled around. Graduation had taken its toll, prognosticators said, and if the Lancers could salvage a few victories the season could be termed successful.

In spite of newspaper pessimism the young Lancermen prepared diligently for the opening contest with Holliston. Scrimmages with Seekonk and Apponequet Regional confirmed the belief that this could be a long season for Norton's second varsity aggregation. However, in the West Bridgewater scrimmage the offense began to click and the boys became confident that they could do the job against highly rated Holliston.

Holliston, a big veteran team, meandered into Norton assured of revenging last season's 6-6 tie. Action was fast and furious through the first half as both teams hammered away trying to crack the opposition's defense. The separate defensive units controlled the game until late in the half when the Lancers gained a first down on the Holliston 5 yard line. The threat went by the boards however, when halfback Tim McEndy fumbled on the one yard line, just before the half ended.

The Panthers drew first blood in the hard fought contest in the third canto when quarterback Mike Hayes hit end John Morgan in the endzone for six points. The try for extra points was missed. Defense was the key again as neither club could muster any offensive attack until late in the final period. With less than five minutes remaining halfback Greg Cruff intercepted a Hayes aerial and gave Norton possession on the Holliston 32 yard line. Runs by Bob Adams, George MacArthur, and Steve Teixeira advanced the ball further into enemy territory. Time was running out, the Lancers had to score! On a third a goal-to-go situation the ball was resting on the one yard line, Quarterback Adams turned, handed to McEndy, who made amends for his earlier fumble by bursting across the goal line to tie the score. Would there be a repeat of last season's tie? No! Sophomore Bill Reay calmly kicked the point after touchdown conversion to put the Lancers ahead 7-6. Captain Mike Wynn and his defensive unit took over from here and forced the Panthers to surrender the ball and the game. Victory was Norton's.

On Sept. 30, Hopkinton fell victim to the Lancers 36-6. MacArthur and Ron Goddard scored twice, Art Bouchard tallied once, tackle Dan Gefis was credited with a two point safety, and Bill Reay kicked three out of four extra point tries successfully.

In the meantime powerful Medfield had likewise chalked up twin victories and the stage was set for the meeting between Tri-Valley League favorite Medfield and surprising Norton. The Warriors wasted little time in proving their superiority over the league newcomers as Wayne Clive and John Seeley raced through gaping holes in the Norton line in helping Medfield ramble to a 32-0 half time lead. In the second half, the awe-struck Lancers returned to the foe and proved their worth by outscoring the potent Warriors 16-0. Unequivocally Medfield was the circuit's best, as they later proved by winning the championship, but the youthful Nortonites learned a valuable lesson in defeat—never quit, never despair and success will be forthcoming.

Philosophy does not win football games as the Bartekmen were to learn in their next meeting against Millis. In what was probably the team's poorest showing all season, Lancer miscues and Millis' might have proved too much as the Mohawks romped 36-0.

A cavalcade of cars and five buses left the town of Norton at 8:00 the morning of Oct. 21, bound for Martha's Vineyard Island. The trip was a pleasure cruise for many, but for the 35 football players gratification would only follow victory.

The Islanders bent on upsetting Norton on to a 6-6 tie with less than four minutes remaining in the game. Norton's only score had come in the second quarter on a 16 yard scoring pass from Bob Adams to Rit Bouchard. Frustrated by earlier scoring threats the determined offensive unit was not to be denied this time. Adams to MacArthur to Teixeira reverse, a key block by Mike Wynn resulted in a 23 yard touchdown jaunt. Norton was back on the winning road.

Saturday next brought only more frustration to the determined football eleven. Dover-Sherborn bouyed by a stingy defense held the Lancers to a 6-6 tie. Dighton-Reboth loomed ahead and it appeared that Norton was in for another tough Saturday afternoon.

Dighton was a good football team, a big team, and an experienced unit. The Falcons leaped out to an early 8-0 lead but a more determined, aggressive and indomitable group of boys never took to the gridiron than the Norton footballers who played at Dighton on Nov. 4.

Quarterback Bob Adams, calling plays like an old "pro", hit Rit Bouchard on short passes, handed off to halfback John Foster, and carried the ball himself to advance the pigskin to the Dighton 9 yard line late in the second period. Adams scored on a keeper play from the nine to narrow the half-time score to 8-6. Taking over where he left off in the first half, Adams moved his unit down into enemy territory in the third canto. The quarterback raced in the end zone for the 12 yard line to edge his club ahead 12-8.

The Falcon was not dead yet, however, and four times in the final period they moved deep into Lancer territory only to be thwarted by the defensive efforts of Steve Zumalt, Dan Gefis, Larry LaPointe, Kevin MacCaffrie, and Mike Yarusities. In the waning minutes of the contest Dighton had four cracks at the Norton goal line from the four yard line. "A lotta soul" and heart kept the enemy at bay and brought victory to the outweighed and overmanned Lancers.

Playing their last home game of the season against Medway with a chance of finishing third in the league proved incentive enough to lift the Lancers over the invaders by a 15-10 count. Steve White, Ken Allen, and Mike Wynn opened holes in the middle of Medway's line to give MacArthur enough running room to score eight points himself and set-up a nine yard scamper by Adams.

The Seniors on the team chose this game as "theirs" and ironically it was the blocking of Seniors White, Wynn, and MacCaffrie; along with a sensational catch by Greg Cruff that set up the winning touchdown.

The season's finale, the traditional Thanksgiving Day clash, against Bellingham was played under deplorable conditions. Rain, wind and mud hampered the play of both clubs. But when it was over nothing could dampen the spirits of the victorious Lancers. Two scores by Adams, one by Rit Bouchard and a two point conversion by Senior Ray Sigman netted Norton's offense 20 points while the defense held the Black Hawks scoreless.

The 1967 Lancers did not win the Tri-Valley League championship, but their spirit and determination did covet the admiration of the coaches, students, and followers of Norton High football. Gloom does not prevail in Lancerville for a 6-2-1 record and third place finish in the league is a feat to be proud of.

Basketball

This year's edition of the Lancer Basketballers opened their practice sessions on November 27, 1967 with high hopes for a successful season. Last year's team had won the Division "B" Championship of the Tri-Valley Conference and the Lancers looked like a good bet to win their division again.

The season opened with a strong win over the Falcons at Dighton-Rehoboth by a score of 73-57 in a non-league game. League play began with a thrilling 71-68 victory over Nipmuc and the Lancers beat Bellingham on their own court 69-61 before the Christmas Holidays. During the vacation Norton played two non-league games, losing a heartbreaker to neighboring Mansfield 66-62, but rebounded to get a satisfying win against Seekonk. Trailing 62-45 entering the last period, the Lancers put on a fantastic show as they poured 35 points through the hoop. Norton scored the winning basket with six seconds to go as Greg Cruff stole the inbound pass and flipped to Tim McEndy, who calmly tossed the winning hoop in to make it 80-79, climaxing the greatest comeback ever seen in our gym.

When the schedule resumed after the vacation, the team returned to league play and in quick order disposed of Hopedale 81-72, Norfolk 94-57, and Blackstone 89-50. Disaster struck at Millis as the team lost 65-59. Then came victories over Medway 74-61, Holliston 75-60, and Medfield 54-49. At this point we had a record of 8-1 in the league and looked like a sure thing to repeat our divisional championship because our nearest rival had a record of 6-3.

Unaccountably, the team went into a horrible slump. It started with an unbelievable double overtime defeat at the hands of Hopkinton 76-74. Then the undefeated Division "A" leader, Dover-Sherborn, just managed to out-last us 57-55 in a terrific game. The Bellingham Blackhawks came into town riding a hot streak and they were now tied with the Lancers for the Division "B" lead. The Lancers suffered their worst setback of the season, losing 69-55.

The Lancers got back on the winning trail against Hopedale 71-48, and then traveled to Nipmuc. The Lancers had to win this game in order to tie for the divisional title. After a hard fought game Nipmuc was able to pull the game out in the last twenty-five seconds by a 63-59 count. The Lancers had just completed a stretch of losing four out of five games, an occurrence no one could have foreseen or predicted.

With all hopes of the championship gone, the team had only one objective left, to qualify for the Tech Tourney. In order to qualify we had to win our last three games. Blackstone fell 83-54, then Norfolk was overwhelmed 90-34. In the showdown game against King Philip Regional, the Lancers were to play the tallest team they had faced all season. For the better part of three periods the game was close, but in the last few minutes of this period the Lancers started a surge, spearheaded by Kenny Allen, Greg Cruff, and Bob Adams. This surge continued into the fourth period and the Lancers opened up a big lead with the final score reading Norton 74 and King Philip 57.

This gave the 1967-68 basketball team a 14-6 season record, which qualified the team for the Tech Tourney. Norton High School was the only team in the Attleboro Sun District to qualify for the tourney, a feat which makes all of us proud of our Lancers.

A faculty committee chooses the Junior High Cheerleaders at the beginning of the school year. Under the direction of Miss Patricia Marcussen, the girls cheer at home games of the seventh and eighth grade basketball teams. The Junior High shares many of the same cheers of the Senior High, and for this reason Junior High Cheerleading offers excellent preparation for the varsity squad.

The Junior High girls practice one of their many cheers.

Baseball

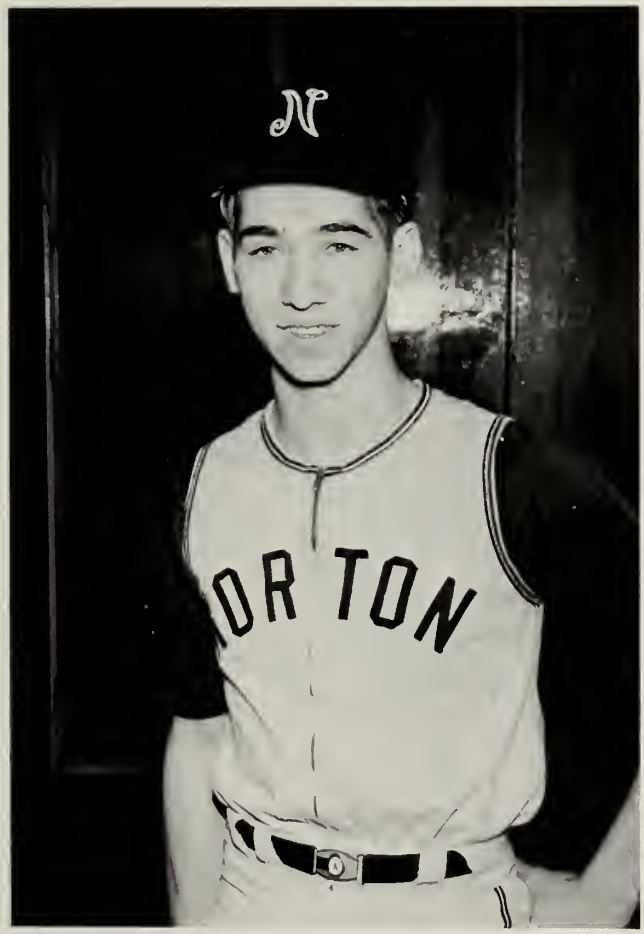
Defending Division II champion Norton High annexed victories in their first five Tri-Valley Conference games. The Young Lancers, captained by seniors Russ Hardigan and Bob Thurber seemingly were on their way to another flag emblematic of league superiority.

Then the Lancer's winning streak came to an end. The Norton boys fell 2-0 to visiting Hopedale. Norton fought onward and upward for the remainder of the campaign.

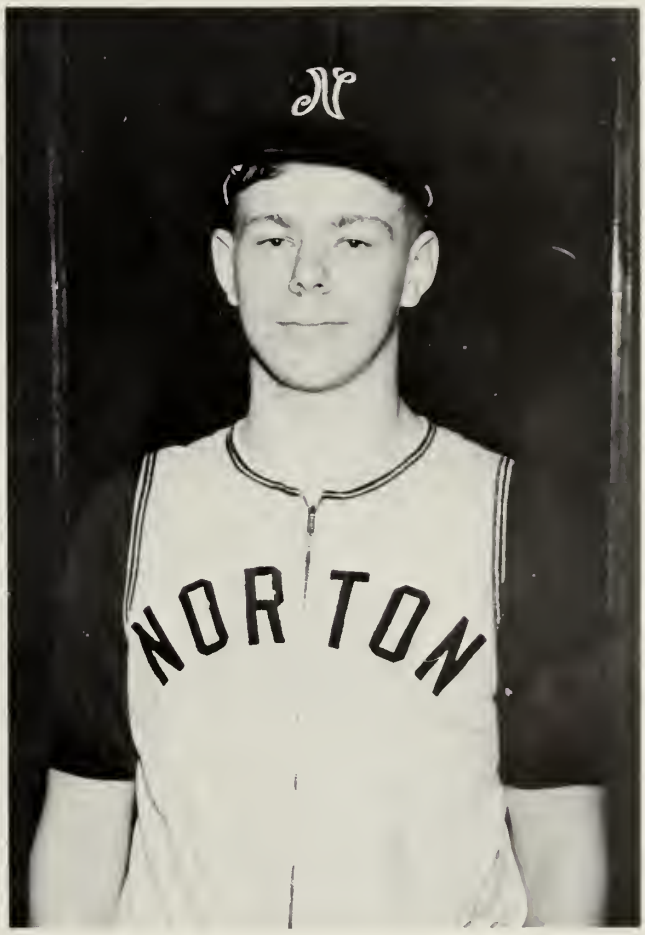
The hitting of Mike Wynn, Rit Bouchard, and Bob Thurber combined with the steady defense of center fielder Greg Cruff, 2nd basemen Bob Adams and Tim McEndy led to three successive wins over Hopkinton, Nipmuc, and Blackstone. In the ensuing six games the Lancers dropped a 2-1 heart breaker to Bellingham and a 3-0 verdict to Holliston, while winning the other four.

Ken Allen's perfect pitching record and Art Bouchard's 6-3 slate combined for a respectable 12-3 record. However, this was not good enough to retain the Tri-Valley title, and the Lancers finished one game behind Holliston in the final standings. It's all the way in '68.

Mike Wynn, Captain of the 1968 Baseball Team.



Pitcher Art Bouchard led the team to a second place finish in the Tri-Valley League.



Kenny Allen contributed his valuable services in 1967, posting a 6-0 record.
